D.O. No. 20034/290/2013-CIS-I (Part-V)

03rd October, 2019

Dear Administration,

As you are aware, companies and state owned companies from certain countries are making investment under automatic route in various important sectors of economy, which may be potentially sensitive. In some cases, such companies are making investment in areas which are geographically sensitive or in sectors which are sensitive. Needless to say, such proposals need to be subjected to close and careful scrutiny from the national security perspective.

2. I take this opportunity to apprise that Ministry of Home Affairs has, over the years, evolved a reliable and robust mechanism of assessing security aspects in respect of such companies and proposals, in an expeditious manner.

3. It would be advisable to forward such proposals to Ministry of Home Affairs for assessment of security clearance before allowing such companies to make investment or awarding them contracts for project execution. A copy of the format for seeking national security clearance is enclosed for ready reference.

With regards,

Yours sincerely,

(Ajay Bhalla)
