NOWFLOATS

Innovations that **simplify businesses**

NowFloats ONDC Link

NowFloats is one of the first companies to start enabling businesses to integrate ONDC to their e-commerce strategy. As a designated Technology Service Provider (TSP) to ONDC, we are equipped to onboard brands through the NowFloats ONDC Link.

RIA

RIA (Relationship Intelligence Agent) is a unique AI-based digital assistant patented by NowFloats that analyses merchant websites and shares customised recommendations.

Boost Studio

Our collection of 1000+ pre-designed customisable message templates enable merchants to greet their customers, share trending messages, and drive customer engagement. Now merchants can communicate with their customers in style!

My Biz App

Dynamic business app to showcase businesses and create the right impression on customers! My Biz App enables merchants to avail of their own business app and share it with their customers to make communication and purchases easier.

NOWFLOATS

Our Leaders

NowFloats was founded by a team which has previously worked in Microsoft, GE and Saatchi & Saatchi.

Jasminder Gulati - Co- Founder, Head of Research and Advocacy
