### **About Company -**

Arencs is a network of professional firms rendering legal, taxation, compliance, management and business consultancy services with a strong emphasis on business advisory, establishing new businesses, and providing everyday solutions to its clients. We believe in equal employment offering equal opportunities to all individuals regardless of race, colour, religion, ethnicity, or gender.

ARENNESS

---

**Experience | Ethics | Excellence**

# OUR HISTORY

Established in 2010. Owing to his vast knowledge and expertise in law, **Mr. Sagar Aggarwal** competently handled the Litigation, Intellectual Property, Insolvency and Bankruptcy with **Ms. Anjali Jain's** Corporate Advisory, Corporate Restructuring, Debt Restructuring vast knowledge and expertise in law.

In 2015, two distinguished people (Sagar Aggarwal and Anjali Jain) joined the hands and had the vision to regard the law as a profession and the courage to create a firm dedicated to the concept that legal excellence can be achieved. In doing so, the founders of **ARENESS** created an environment where collegiality, trust and respect are the guiding principles under which we work.

Within a short span, Areness has spread its wings far and wide and today Areness has established its presence in the National Capital Region (NCR) and Gurgaon. A lot has changed about us, we have relocated, undergone expansion, & added segments, and embraced new markets overseas.

The law firm was set up in 2010 by MR. SAGAR AGGARWAL who has been in the legal practice for over many years. It started out as a small firm with 8-10 staff members and has since gradually grown to a medium-sized law firm more than 100 staff members. The firm has a branch in Gurgaon. This branch has an equally competent staff to deal with client needs.

# **ABOUT US**

Areness is a network of professional firms into legal and consultancy services. With strong emphasis on business advisory, establishment of new businesses and providing everyday solutions to its clients. Over the last decade our involvement in the field of professional services has grown manifold and we hope to continue to expand at even a higher pace. Our teams are dedicated and passionate about their work and truly abide by the core values of professional ethics and compassion for the society at large.

Covering one of the widest array of services with a team of experts in-house, Areness is working with one of the country's leading names in various industries and sectors. Besides offering professional services, Areness is also into legal education, legal tech and legal research. We have been pioneers in exploring new realms of law and ensuring its application within various machineries of law for the common good. The firm ensures cost effective representation and personalized attention of its Partners to maintain the quality of work and to deliver practical and innovative solutions to the clients. We focus on building and nurturing lasting relationships with clients and enabling them to take informed decisions. This is embedded in our work ethic of being approachable and working closely with clients, understanding their specific requirements and delivering innovative solutions that are tailor-made, which reduce risk and optimize value.

## **OUR VALUES**

We, at Areness, adhere to the highest standards of professional ethics. We strive to ensure that our knowledge, experience and skills are utilized to the best of our ability enabling our clients to get the best-in-class legal services and also to seek to bring out a positive change in the society by our presence.

Along with providing efficient advice, we aim to protect our clients' interests by not only employing technology-enabled services but also making it more accessible and affordable. The teams at Areness aspire to provide the most suitable solutions to the clients with our wide range of services.

We also take special care to provide opportunities for the future professionals by opening the doors of our organization for their experience and learning, guiding them to build successful careers as aware and diligent citizens and not just expert professionals.

# WHAT ARE WE LOOKING FOR?

At Areness, we are looking for interns who are enthusiastic and has a genuine interest in expanding knowledge and skills in a professional setting. We welcome them to join our growing teams in one of the fastest growing consulting firms in India.

People who are willing to explore a challenging new role or probably looking to snap into a new domain in one of the few ubiquitous sectors in the economy and have enterprising skills.

We believe that individuals possess professional demeanor, punctuality, and a strong sense of responsibility in handling tasks and meeting deadlines.

# **BENEFITS**

- Students will be assigned to the projects aligned with their interests and strengths.
- They will have the exceptional opportunity to work alongside seasoned professionals who are leaders in their respective fields.
- They will receive constructive feedback that will foster the growth and success of the interns.
- Students will have the chance to connect with professionals, build relationships, and expand their professional network, which can be valuable for your future career.
- Post Internship, the final year students can be entitled to work as an **Assessment Intern**.
- Post, the incumbent can be offered the role of Full-time opportunity as an **Associate**.

- We understand the demands of balancing academic commitments with internship responsibilities and want to offer a unique opportunity to extend their engagement with our projects where all the interns will be eligible for work from home facility.
- Also, they can work after their College hours.
- As a token of appreciation for their hard work and dedication, we will initiate a stipend on the basis of their performance.
- To acknowledge the skills that they will acquire during the period, Internship Certificates will be disbursed to the students that would serve as a lasting reminder to their carrier and portfolio

# **PROCESS**

- Our team will diligently review each application and align closely with the requirements of the concerned departments. Shortlisted candidates will be contacted for the next stage of the selection process.
- Shortlisted candidates will be notified promptly within 2-3 working days keeping their TPO's in loop.
- The students would be invited for the Virtual Orientation Session where the essential information shall be provided to kickstart your journey with Areness.
- Afterwards, the students will be aligned with their Team Leads.
