About IDP:- IDP is a leader in global education services, helping people achieve their international education goals. An Australian-listed company, we operate in **more than 50 countries around the world**. Established in 1969 by the Australian Government, **IDP has more than 50 years' experience** helping students achieve their international education goals. We partner with more than 800 leading universities across the world. We are a public company listed on the **Australian Securities Exchange (ASX)**. Around 40% of our shareholding is owned by Education Australia - an entity owned by **38 Australian universities**. Please visit our website for more details : www.idp.com

While our focus has been to continue to expand our footprint across the globe, we have done this by focussing on growth both organically and inorganically through various acquisitions over the past few years.

Our Global acquisitions summary :-

- The Hotcourses - In January 2017 IDP acquired The Hotcourses Group, which was later integrated into IDP's client services as a new B2B division, IDP Connect. The strategic partner of choice for institutions seeking access to engaged student communities, IDP Connect uses its global expertise, data-driven insights, and trusted human connections to match universities, schools and colleges with the right students from around the world.
- Intake – In Dec 2022, IDP acquired Intake Education, a leading international education organisation, into its global team.
- British Council – In August 2021, IDP acquired British Council's IELTS business in India.

IDP South Asia Region – We have our presence in India, Bangladesh, Sri Lanka, Mauritius and Nepal.

India - IDP has **more than 70 offices spanning over 61 cities in India**. We guide students and their families through the entire study overseas process – university/course selection, submission of application, assistance with the visa process and pre-departure planning.

IDP India has also been recognised as a **Great Place to Work in India** and **India's Best Workplaces™ for Women 2022 by Great Place to Work®**, an organisation known for conducting the world's largest and most respected study of workplace excellence and people management practices. The accreditation, received for the year 2022-2023, is a landmark achievement and a testimony to IDP Education being an employee-centric organisation that focuses on maintaining a healthy work environment and encourages building high-quality relationships in the workplace.

IDP Academy program, one of the best-in-class Campus to Corporate programs in the industry focussed at helping students fulfil their dreams becoming International Education Counsellors with global leaders in International Education. Through this program, we train the candidates helping them develop the skillset and gain the necessary knowledge to become the experts in this domain and become and hence pursue their careers with us after successful completion of the program.

About the Academy Program:-

The IDP Academy program has been designed to help students build a career in international education. It is a program that aims to facilitate a successful transition from campus to the corporate world and offers individuals the chance to shape a global career. The program seeks people who share a passion for building dreams and careers. It provides an opportunity to join the global leader in international education. The program is carefully crafted for anyone who aspires to be part of an organization that believes in creating a global platform and a connected community to guide individuals with global ambitions in their pursuit of lifelong learning and career aspirations.

The Education Counsellor role is a crucial frontline position in the business, offering significant growth opportunities both domestically and internationally. The opportunity begins with a rigorous 10-week paid training period, after which successful candidates are absorbed into a permanent role.
