Notice

Subject: A Hope n Mic event is scheduled on 30th August, 2019.

Centre for Human Values and Ethics is organizing one 'Hope N Mic' event in collaboration with YUVA-Youth United for Vision & Action and Antahkarana Group with an aim to spread mental health awareness. The "Hope 'N' Mic" event is designed to invite people into a conversation about things that aren't really talked about, mental health, toxic masculinity and the stigma attached to such topics. The hope is that the open mic platform will allow this conversation to move beyond the surface. As questions and themes of struggles come into the light through lyrics or spoken words, the hope is those walking through darkness will know they are not alone. The performances shall include music performances, poetry recitations, etc. One Group discussion is also scheduled after such performances.

Date, Time & Venue: 30th August, 2019 at 1 PM near Library Courtyard.

Schedule of the event:

1. Music Performances
2. Literary performances by students
3. Group Discussion

All the students, faculty members and other staff members of the University are invited to join the open mic event and the discussion.
