**Sub:** Requesting to share a circular in your organization to depute teachers/researchers to attend a conference on Inclusive Education organized by The Division of International Special Education and Services (DISES), USA in collaboration with Community Based Rehabilitation Network (CBR Network), Bangalore.

Dear sir/madam,

**The Division of International Special Education and Services (DISES), a division of the Council for Exceptional Children, USA** is partnering with “**Community based Rehabilitation Network**” (CBR network) for an exciting international roundtable on Inclusive Education to be held from July 12-14, 2023, in Bangalore, India.

The Division of International Special Education and Services (DISES) promotes knowledge exchange, collaboration, human rights, and advocacy to organizations that provide services for individuals with disabilities. DISES serves as a catalyst for the international exchange of special education practice, promotes international research, and sponsors forums for professional development, and establishes networks that foster international association to promote progress in education and services for children who have disabilities and/or gifts and talents.

CBR Network is a Non-profit organization based in Bangalore, India which uses community-based rehabilitation as a strategy to help mainstream persons with disabilities in the society. CBR Network is working extensively in Inclusive Education for all children including children with disabilities.

The conference offers an exciting opportunity to grassroots level teachers and parents in India to connect and explore the resources and strategies practiced at the international level on education of students with special educational needs in an inclusive environment.

The conference offers:
