Sub. Call for Application - The Prime Minister's Fellowship for Doctoral Research

Apply online at www.serbficci-iirrada.in

The Prime Minister's Fellowship for Doctoral Research is the highest paid fellowship available to a PhD candidate offered by Science & Engineering Research Board (SERB) and implemented by Federation of Indian Chambers of Commerce & Industry (FICCI). The objective is to work towards the advancement of university research engagements in line with industry requirement. The academia plays a pivotal role in nurturing high-quality talent and skills and promoting research and innovation in the country. The scheme encourages PhD scholars to pursue their research in “focus areas” identified by industries.

Eligibility

- Indian National
- Full time PhD registered with any academic or research institution offering PhD degree
- Apply within 14 months of PhD admission/registration whichever date is earlier
- Completed all required academic qualification in past
- Have an industry partner to sponsor 50% of the fellowship (Rs.5 lakhs per annum approx.)

Selection Process:

Award of SERB's Prime Minister's Fellowship for Doctoral Research is done following a rigorous selection process

Intellectual Property Rights (IPR):

IP ownership is decided by partnering academic institution, PhD scholar and the sponsoring industry. SERB & FICCI will hold no right on IP (if any) generated out of the PhD research.

Monitoring Mechanism:

Scholars undergo periodic review on progress of their research work and achievement of milestones.
