The Vice Chancellor apprised the Court about major points that had emerged during deliberations, in the last meeting of the Court viz;(i) Commitment to ethical and a human value system for propagation of Human values and Ethics; (ii) Environment ,Women Empowerment and Gender Sensitization; (iii) Facilities for physically challenged, specially abled; (iv) Quality of teachers through academic programmes (B.Ed.); (v) Management of quality education in the University and affiliated institutions; (vi) Study and research in forensic sciences; (vii)Establishment of "Centre of Excellence" in pharmaceutical Sciences;(viii) Promotion of Research Activities; (ix)Review of curricula of School of Studies;(x) Conducive and congenial atmosphere to students and faculty coupled with co-curricular activities;(xi) Action plan for next five years; (xii) Progress of Dwarka campus and development of East campus; (xiii) Annual report of the University;(xiv) C&AG Audit Report on Annual Accounts of the University for financial year 2010-2011;(xv) Annual Accounts of the University for financial year 2011-2012; (xvi) Performance of Students during academic session 2011-2012.

The actions taken on the above points presented before the Court highlighted the efforts made by the University to attain the goals suggested by the Court in its seventh meeting.

Hon'ble Chancellor desired that small groups of Court members may be constituted for interacting with the different industries/ government bodies, for understanding the thrust areas and requirements as per the present scenario and other stake holders making tie-ups with them for solutions. The efforts would provide better exposure to students and would enhance their understanding to identify and work on the areas according to need of the hour.

Hon'ble Chancellor advised the University authorities to set up an mechanism whereby emerging trends in job markets are pro-actively identified so as to tweak and re-structure existing course accordingly which would help students in meeting the upcoming job requirements in the,market.

Hon'ble Chancellor also emphasised that the University should increase the efforts in consonance with its targets/ goals to achieve the higher success rate. He informed that the Govt. of NCT of Delhi has already started taking assistance from various industries in this regard.

Dr. Ashok Jain suggested that the University, Government and Industry should have regular interaction with each other for framing policies regarding course curriculum, placement of students etc. He also advised that suggestions from the Court members should be invited on priority, so as to have clear idea about the appropriate course of action to be taken by the University for obtaining optimum benefits for the students.

Sh

Responding to the query by Prof. Syed Shahid Mahdi, regarding alumni forum for interaction with students, the Vice Chancellor informed that each School of the University has an Alumni Association, which regularly conducts its meetings and organises events.

Prof.Sudha Bhattacharya opined that the aspect of Government policies for new drug discovery may be introduced in the Centre for Excellence in Pharmaceutical Sciences for clear-cut guidelines for new drug discovery and creating adequate awareness to meet this challenge. She cited example of Orphan Drug Act of USA to encourage discovery of new drugs for rare diseases.

Shri Jaswinder Ahuja suggested that University should make efforts for Industry and University collaboration for dealing with pollution related problems in the areas of solid waste, fossil fuels etc. He gave example of IIT Delhi-clean air initiatives.

Hon'ble Chancellor and other members approved the action taken on all agenda items of the Seventh meeting of the Court.

**Agenda Item No. 8.03 : To consider presentation by the Vice-Chancellor regarding the Establishment and Growth of the University.**

- The University has also taken initiative for starting NSS(National Service Scheme) / Proctorial Board, in the University and its affiliated colleges and doing its activities with a large number of student volunteers, to prevent the ragging and to ensure discipline in the University Campus as well as affiliated colleges.
- To help the students to deal with academic as well as mental stress, a Psychiatrist is available on the campus of the University for counseling purpose.

It was also informed that under the aegis of women safety and gender sensitization, various programmes have been conducted. University Complaint Committee, on the lines of related Act of Govt. of India, is in place in the campus and the affiliated colleges and handles the harassment cases, if any.

✓

Subsequent to the presentations by the Vice Chancellor, the Court members made deliberations on certain issues.

Prof. Rajendra Prasad suggested that there is need to have an Industry and Students interface for upgrading B.Voc. Programmes at par with the industries. by the introduction of new edge courses such as Data Analytics, Data Security etc. He suggested that the new courses should be designed keeping in mind the popular demand among the industries, students and all the stake holders, after examining and assessing the feasibility and applicability of the course through all statutory bodies of the University.

Shri Jaswinder Ahuja emphasized that quality students and the quality faculty are the two main components for any educational system and placements of students is the actual outcome of these both components.

\* Shri Pravin Gosain suggested that the University should have standard matrix of the students of University School of Studies and its affiliated institutions alongwith the ranking of the affiliated institutions for assessment purpose and also stated that the information about the institutions graded by the Joint Assessment Committee and State Fee Regulatory Committee may be made public. He advised that University should approach industries for Corporate Social Responsibility (CSR) funding for vocational courses which will facilitate and help in upgradation and placement of the Students. Regarding his query about the number of patents registered by the University it was informed that during the period from 2013-2017 the University has registered 12 numbers of patents.

Prof. Syed Shahid Mahdi, desired to know about the number of research publications in referred journals published by the University and areas of research collaborations. Director, Academic Affairs and Research & Consultancy informed that during the period 2012-2016, 1216 number of paper have been published in National and International journals. Further, faculty members of the University have completed 37 major research projects funded by different agencies like UGC, DST, IUAC, BRNS, Ministry of Environment and Forest, Mac Arther Foundation and World Bank, TRIFED, AICTE, DBT, DRDO, CSIR and ICAR-NICRA.

Dr. Ashok Jain desired to know about online connectivity with the affiliated institutions in order to make information and data available online for easy access and transparency. It was informed that activities related to affiliation of institutions are on online mode. However, steps are to be taken for furthering the online connectivity between University and its affiliated institutions.

Hon'ble Chancellor observed that the University should establish a system whereby the quality of placements achieved by its affiliated Institutes should be an important benchmark in grading them.

Hon'ble Chancellor advised to look for possibility of equivalence between B.Voc. Courses and other academic programmes and also flexibility in switching from Vocational Studies to Academics alongwith foreign accreditation for University Degrees. The standards of the University and affiliated institutes need to be judged by the placement of the students. It was also emphasized by the Hon'ble Chancellor that the Brand equity of the University should be maintained. Further it was suggested to bring experts, industries and academia together for overall betterment and also to explore the possibility of joint research and joint funding with the industry.

(m)

**Agenda Item No. 8.04: To consider the status of various units of the University along with their action plan for next five years.**

Prof.P.C.Sharma, Director Academic Affairs, presented the highlights of various schools, branches and centres of the University and the action plan for the next five years. The Court members noted the information and action plan submitted about the various University Schools and suggested that all the concerned must follow and implement the action plan.

Hon'ble Chancellor desired to know about the status of admissions done by the University through JEE/NEET and about the various Common Entrance Tests conducted by the University. It was informed that NATA and NEET scores are taken into account for admission to architecture and medical courses, respectively. The members suggested for exploring the possibility of using the scores of CLAT, NATA, JEE etc, wherever needed, for admissions from next academic session. The advantage would be time saving and evaluation of standard and ranking of prospective students of the University in their respective cohorts.

Prof. Syed Shahid Mahdi raised the issue of high fee taken by the University as compared to other Universities such as Delhi University. The Controller of Finance, GGSIP University explained that most of the colleges/ institutions affiliated to the University are self- financing, without any financial support from the Government to run the University programmes and also the fee is determined by the State Fee Regulatory Committee. Further he informed that, the GGSIP University fee is still on the lowside as compare to fees being charged by IITs and other Universities of the state.

Shri Jaswinder Ahuja suggested that since B.Voc. programmes are also funded by the industries, the University must also expand its B.Voc. programmes in terms of vocation and higher degrees in the area to make students more employable in industries. The University may explore the possibilities to utilize industry driven Corporate Social Responsibility (CSR) funding for this purpose.

**Agenda Item No. 8.05: To consider and approve the Annual Report of the University for the Academic Sessions 2012-2013 to 2016-2017.**
