

**University center for Incubation-cum-Technology Commercialization (UCITC)
Guru Gobind Singh Indraprastha University, Delhi**

Date: 23rd October 2021

Hackathon Notice

Centre for Networked Intelligence, IISc Bangalore is organizing Aadhaar Hackathon 2021 in partnership with the Unique Identification Authority of India (UIDAI).

The hackathon, featuring unique challenges to solve regarding authentication and data registry update, is open to all engineering students in India.

Students interested in participating are encouraged to contact undersigned. UCITC shall help students of GGS Indraprastha University to register in the Hackathon. UCITC shall also provide technical and financial support to interested students for preparing solutions to given problems.

For more information regarding Hackathon please visit <https://hackathon.uidai.gov.in>

Hackathon start on October 28, 2021
