CIRCULAR

In view of our fight against COVID 19, time and again University has issued several advisories to ensure the safety and health which include all the staff and students residing in the University campus.

It has been observed that some of the staff and their children and students residing in the University campus are not abiding by the lockdown instructions and roaming freely inside the University campus and going out for morning/evening walk.

All are once again directed not to come out from their homes except to buy essentials.

This is for strict compliance.
