Registration Link – <https://forms.gle/NqQW9ptYySLZtZsK7>

Name of Company – Accenture

Role –

1. Associate Software Engineer
2. Advanced Associate Software Engineer

Eligibility Criteria - The company is looking for smart young professionals with high learning ability, excellent communication skills and strong programming skills.

- Minimum criteria- Any engineering stream of B.Tech / M.Tech or MCA with year of passout being 2025.
- No active backlogs during application and/or during onboarding.
- Candidate should not have more than 11 months of full-time experience.
- Candidate should not have appeared for Accenture Recruitment assessment/interview process in the last three months.
- Candidate should have completed the relevant degree (eligible for this job role) in the stipulated duration of the degree. Hence, there should be no gaps during the course of your degree. E.g. candidate must complete the 4-year B. Tech course in 4 years.
- Students must have Indian citizenship.

Please note that Bhutan and Nepal nationals can work in India without a need for obtaining a work visa. All other foreign nationals require work visa or an Overseas Citizenship of India (OCI) or Person of Indian Origin (PIO) card to work in India.

Students need to attend the company's recruitment process with the following documents and tool requirements.

Process Enablement

- PAN Card – all students must submit a PAN card which has their photo as the only identity proof needed mandatorily during our registration process.
- PAN cards made when student was a minor will not be entertained. If provided, candidate will be rejected from the process.
- E-PAN Cards is accepted, candidates can refer to the instructions available in the help link on the registration page
- We will not consider PAN card application acknowledgment as a proof of PAN card. All students must mandatorily submit their PAN number and PAN copy which has their photo only.
- **Please note:** All students must submit a valid PAN card which has their photo as the only identity proof needed mandatorily during our offer and document verification process.

Logistics guidelines & instructions for students participating in the process:

Laptop/ Desktop requisites:

- The laptop/ desktop being used for the process, must be enabled with a good quality webcam and microphone.
- RAM & Processor: 4 GB+ RAM, i3 5th Generation 2.2 Ghz or equivalent/ higher
- Operating system: Windows 8 or 10
- Google Chrome browser: latest 5 Versions

Internet Connectivity:

- Stable Internet connection of 2Mbps+ enabled through broadband connection, do avoid unstable 3G/4G networks.
- VPN/Proxy should be disabled.

Headsets for communication assessment:

- Its highly recommended to use a USB enabled Headset with a microphone, or a good quality headset with single jack – 3.5 mm having microphone.
- Students must avoid using Bluetooth headsets or using on system speakers and microphone.

Submission Deadline:
