Dated: 11/10/2023

**NOTICE**

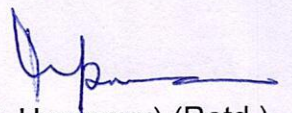

**Subject: Most Important directions to all the affiliated colleges/Institutions/USS regarding ensuring that only candidates whose names exist on the respective admission portal of their Colleges/Institutes are allowed to attend classes.**

It is informed that each Dean/Directors/Principals of the USS/Affiliated Colleges/Institutes will ensure that only candidates whose names exist in the final list of admitted candidates on the portal of that respective School/College are attending classes and no one else is being allowed to attend the classes.

A candidate who was allotted a college in the previous round of online counselling, thereafter participates in the next round of counselling by filling fresh choices and gets allotted a preferred choice in the next round of counselling, shall only be eligible to attend classes in the preferred choice/college allotted in the last round of counselling as per his/her preferred choice.

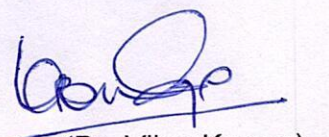

Therefore, it is important that all the Affiliated Colleges/USS to kindly check the details of name of candidates on the portal of their respective college/USS so as to ensure that the attendance register only contains name of finally allotted candidates. The University has no provisions for change of colleges after allotment in the counselling as the same amounts to migration which is not permissible under the provision of law.
