## JOB DESCRIPTION

Business & Technology Delivery Associate

### About Accenture

Accenture is a global professional services company with leading capabilities in digital, cloud and security. Combining unmatched experience and specialized skills across more than 40 industries, we offer Strategy and Consulting, Interactive, Technology and Operations services--all powered by the world's largest network of Advanced Technology and Intelligent Operations centres. Our 624,000 people deliver on the promise of technology and human ingenuity every day, serving clients in more than 120 countries. We embrace the power of change to create value and shared success for our clients, people, shareholders, partners, and communities. Visit us at [www.accenture.com](http://www.accenture.com).

### Role Overview

Deliver services and delivery for a specific platform/ function and or designed and architected through configuration, administration, and integration.

### What would you do?

#### Business and Technology Delivery

- Analyse, design and/or develop best practice business changes through technology solutions
- Design and write reports to translate medium/large sized client requirements into Technology Solutions leveraging Accenture's full capabilities
- Analyse or configure modules (e.g., core banking system) by applying knowledge of platforms and functions across Finance
- Build interfaces between modules (e.g., banking applications and core banking system)
- Leverage knowledge of domain and technology working as a bridge between Technology and business stakeholders

### What we need?

- M.B.A / PGDM/MMS/Integrated MBA in Finance (Freshers from 2023 graduating batch)
- Candidate should have strong conceptual knowledge of Finance
- No active backlogs during application and/or during onboarding.
- Candidate should not have appeared for Accenture Recruitment assessment / interview process in last three months.
- Candidates must be eligible to work in India by citizenship or have relevant work permit documents.
- Bhutan and Nepal nationals can work in India without a need for obtaining a work visa. All other foreign nationals require work visa or an Overseas Citizenship of India (OCI) or Person of Indian Origin (PIO) card to work in India
