No. F.37 (1)/2025/DRI/402

March 26, 2025

ORDER

The University has created Innovation and Incubation Fund (IIF) for: supporting student led pre – incubation & incubation projects; providing seed funding to the start ups created; and funding of facility creation at AIC – GGSIPU & IPU – IIF. The activities to be supported under IIF thus include: AIC – GGSIPU Host Institute Contribution; AIC – GGSIPU Facility Creation; AIC – GGSIPU Seed Fund for Start-ups; AIC – GGSIPU Running Expenditure; IPU – IIF Facility Creation; IPU – IIF Seed Fund for Start-ups; and supporting Pre incubation Projects; and Incubation Projects. Each of the activity will be built systematically and run following a well defined process. The Competent Authority has approved formation of a set of committees to review activities and recommend financial support through the fund. The functions and membership of each of the committee is as below:

A. Apex Committee – For strategy, policy and output / outcome review

The Committee would act as apex body for approving strategy, policy and methodology for implementation of all the activities identified in a well defined manner. It will also review the outputs / outcomes of the various activities pursued. The members of committee include:

- Hon'ble Vice Chancellor – Chairman
- OSD to HVC – Member
- Registrar – Member
- Controller of Finance – Member
- Dr. Sudeep Kumar – Member (Technology)
- Prof. Meenu Kapoor – Member (Sciences)
- Prof. N.C Gupta – Member (Environment)
- Prof. Ajay Singholi – Member (Robotics and Design)
- Prof. Gagandeep Sharma – Member & Convener (Management)

B. Core Committee - For examination of proposals received from AIC – GGSIPU and IPU – IIF for the creation of Facilities

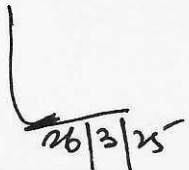

The committee would review the proposals received and put up the recommendations to Apex Committee for approval. The members of the committee include:

- Dr. Sudeep Kumar – Chairman
- Registrar – Member
- Controller of Finance – Member
- Prof. Gagandeep Sharma – Member
- Prof. Meenu Kapoor – Member & Convener

C. Domain Based Committees – For consideration of pre-incubation, incubation projects and seed funding to start-ups.

The committees will be domain based such as for sustainable technology, energy, healthcare, biotechnology, environment, functional foods, robotics & automation, design & innovation etc. The committee will be chaired by an “Apex Committee” member as per the focus of projects received. There will be two external experts in each of the committee.

This issues with the prior approval of the Competent Authority.
