Drawn of Advance

It has been observed that most of the request for advance drawl are submitted in the Accounts Department at eleventh hours without giving sufficient time for arranging sufficient funds from Bank. This practice causes un-necessary delay in payment and some times defeat the very purpose of advance.

It is, therefore, desirable on the part of all concerned to ensure submission of requisition of advance form earliest, atleast by the giving one day time, so that advance amount may be readily available on the day of activity.

Co-operation on the subject is highly solicited from all concerned in the smooth and efficient working on the subject matter.
