Admission Notice: Corrigendum

The Admission Notice for weekend and new academic programmes of the University published in the **Times of India**, Delhi (dated 9th May, 2008), **Hindustan Times**, Delhi (dated 9th May, 2008) and **Amar Ujala**, Delhi (dated 9th May, 2008) inadvertently mentions the course duration for **M. Tech (Information Technology)** and **M. Tech. (Electronics & Communication Engineering)** as two years each, whereas the duration for these courses is three years.

Inconvenience is deeply regretted.
