All the eligible students, (Delhi and Outside Delhi) who have given Common Entrance Test (CET) or National Eligibility Test (JEE, NEET, NIMCET, CAT and CLAT-UGC) can apply for admission under the Management Quota, no matter what rank they have secured. - c) Incharge (Admission), GGSIPU further informed that the process for admitting students through the GGSIP University management quota is as follows:
- i) Eligible students are required to submit their applications to their preferred college.
 - ii) The affiliated institutions are obligated to adhere to the regulations, processes, and timetable set forth by GGSIP University.

- e) Adv. Khagesh B. Jha, complainant submitted his grievances that GGSIPU is charging Rs.1500/- on-line as counseling fee every time for each round of counseling. The Chairperson asked him to show the supporting documents wherein the GGSIPU are charging the same. The GGSIPU Official however denied and asked the complainant to show an order on its website which reflects only one time counselling fee. Adv. Jha tried to show the same on the GGSIPU website but he couldn't get the same. Chairperson advised Adv. Jha to submit the supporting documents, if any.
- f) Adv. Khagesh B. Jha, complainant informed the Committee that GGSIPU charged Rs. 25000/- as registration fee for each programme that a candidate wished to apply .Thus, if someone wanted to to apply for 5 programs at GGSIPU affiliated colleges, then he had to pay

Rs. 1,25,000/- (@Rs. 25,000/- each), only for registration. The Committee said that it was improper that since a student would finally be enrolled in only one programme there was no need to charge Rs 25000 registration fee for each programme. The representative of the university informed that university share is otherwise the part of fees structure to be paid to the institute by a candidate at the time of admission, which is adjusted and remaining amount refunded. The complainant informed there is an increase of Rs. 15000 registration fee from the last year.

The GGSIPU representative informed that in order to discourage the non serious candidates, this clause has been kept and fee has been increased. Chairman, ARC instructed GGSIPU to submit a detailed report in this regard. *(Action by GGSIPU)*

- g) Adv. Khagesh B. Jha also complained that at the time of counseling of Management Quota, some candidates are not allowed to enter the college, thereby marking them "Not Attended".

The Committee directed GGSIPU to display the 24x7 helpline number on the university portal as well as the college/institution portal. Helpline also shall be displayed in conspicuous place of the college/institution.

The Committee also directed that the institutes/colleges submit the list of students who did not attend counselling. GGSIPU would then randomly select at least 20 % students who did not attend counselling to ascertain the reason for their absence. This list with reasons would be presented to the ARC for its information.

Furthermore, comprehensive information about the Admission Regulatory Committee shall be prominently featured on the official website of GGSIPU as well as those of the institutes/colleges.

- h) The Chairperson asked the GGSIPU representative to show court orders or complaints, if any, regarding admission process including admissions against MQ seats. On this, GGSIPU representative showed a recent Hon'ble High Court of Delhi Order dated 04.08.2023 in LPA 563/2023 & CM Appl. 40286-40287/2023 in the matter of Vivekananda Institute of Professional Studies v/s Govt. of NCT of Delhi &Anr. wherein the Hon'ble Court has given following Orders:-
