Sir,

Kindly refer to our letter No: IPU/JR(Aff)/MAIT/2008/1310 dated 25.08.08 vide which we had intimated about the two conditions to be fulfilled by Maharaja Agrasen Institute of Technology (MAIT) as indicated by Board of Affiliation in its 37<sup>th</sup> Meeting. Your esteemed institution has neither obtained clearance from Ministry of Human Resource Development, Govt. of India nor taken any permission from the University to proceed further in this matter.

Your attention is invited to the basic stipulations of Memorandum of Understanding as brought out in the proposal for such collaboration as submitted by you which was placed before the Academic Council in its meeting held on 1<sup>st</sup> May, 2008. According to this, admission brochures and advertisements were to be approved by the University and printed / issued by MAIT at their cost (copy enclosed). On the contrary the said institute has without taking any approval of the University, advertised and published the admission brochures for such collaboration. Under these circumstances, the University does not own any responsibility for the admission being made by you in this programme.

Yours faithfully,
