Sub : Permitting "new institutes" to run courses from lal-dora and extended lal-dora.

Sir,

I am directed to convey the approval of Government of NCT of Delhi to the Cabinet Decision No.1433 dated 11.08.2008 for issue of clarification regarding permitting "new institutes" to run courses from lal-dora and extended lal-dora, which is as follows :

"Some organizations running schools and providing other services like rehabilitation services through facilities located on lal-dora/extended lal-dora lands have represented stating that they are keen on running degree level courses in these buildings located on 'lal-dora' / extended 'lal-dora' lands. After the guidelines were circulated, there was a need to clarify what constitutes a "new institution", in view of these representations. Based on representations from stakeholders it is proposed that those organizations which fulfil the following criteria may be granted NOC to function in Lal-dora, extended Lal-dora, even though they may not have been given NOC in the past :-
