Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>The lockdown was clamped nationwide from 24th march 2020 but the academics was called off from 16th March 2020. The classes were being held for the even semester courses w.e.f. January 6, 2020. The internal examination for all the programs were conducted in end of Feb/March 1st week 2020 for all the programs. This is a part of the continuous evaluation system for all the students. At the time of lockdown, about 70-80+% of syllabi was completed in majority of the courses.</p> <p>Since the faculty are provided with a laptop grant as well as grant for internet connection, all faculty had access to the digital infrastructure to connect to the students without any hassles. The teachers started using the open access free videoconferencing tools like Zoom, Google classroom, Skype, etc. for interacting with the students for coverage of the remaining course. The faculty prepared assignment which were to be submitted to the teachers through emails, etc. The image/pictures of the assignments were also sent through social networking channels. The students were provided with soft copy of the relevant material, e-books, NPTEL, Swayam courses and other digitally accessible learning material and courses in online mode such as course-era, udemy, edX, etc.. The use of the virtual lab was made for the lab work. However, from 26th April 2020, all teachers of the University were provided with individual account on Cisco Webex platform with full access to hold meetings, events, and trainings. Two training sessions were conducted to familiarise the faculty to use the webex tool. The teachers conducted various quizzes, viva, events, apart from the normal online classes to complete the course coverage and address all the issues of the students through this online platform which has no time limit, unlike the free video conferencing tools.</p> <p>All the courses were completed by 10th May 2020 for all the courses alongwith their complete internal assessments. A number of serial workshops and webinars were conducted for the students to address the psychological and mental wellness of the students. The University strengthened the digital infrastructure in all schools to support the teaching for those who did not have access to the above tools.</p> <p>The internships for the students were facilitated in online mode with industries apart from assignments of projects by the faculty as per the guidelines provided by the regulatory bodies.</p> <p>The training was preponed to make use of the time as holding the exam was not possible. All the teachers and students adapted to the new norm of teaching learning adjusting quickly to the new technology-based teaching. The conduct of end term examination was a big challenge as the University has more than 127 affiliated colleges and the student numbering over 95000+. However, the University conducted the final semester/year examination successfully in August/Sept/October for all the programs.</p>
