Sub: - Improvement in Electoral Roll under National Electoral Roll Purification and Authentication Programme (NERPAP).

Sir/Madam,

I would like to take the privilege to inform you that Election Commission of India has launched a nation wide drive to improve the existing Electoral Roll under National Electoral Roll Purification and Authentication Programme (NERPAP). Beside other activities, linking of AADHAR Card data with EPIC (Voter Card) data is going to play a key roll towards success of this drive. This Programme is being largely sensitized and publicized through Print Media, Electronic Media, through FM Radio and by seeking active participation of All Govt./Sem-Govt./PSUs/Autonomous Bodies and Non-Govt. Institutions. Your sincere efforts and participation shall lead this programme towards greater achievement. Following are the five different approaches through which AADHAR data can be link with EPIC(Voter Card) data:-

1. Online through National Voter's Services Portal @ ceodelhi.nic.in
2. SMS based seeding type ECILINK<Space><EPIC_No> <Space> <Aadhaar_No>
Send it to 51969
3. Call 1950 to reach state call centers
4. Furnish details at your Voter Centers
5. Special camps at all Polling Stations, Special Camps on 2nd Sunday of May, June, July

You are requested to encourage and motivate all the employees working under your kind control to not only link their AADHAR data with EPIC data but also of their family member's by following any of the five approaches as mentioned above. A Performa is also being attached herewith in which details of employees may be filled and sent to the undersigned and rest will be done by this office.

Your solicitation in this regard is highly appreciated.
