**Agenda Item No. 9.13. To approve the ordinance relating to conduct and evaluation of University Examination for MBBS programme.**

The Council approved the ordinance relating to conduct and evaluation of University examination for MBBS programme and Ordinance relating to conduct and evaluation of examinations for the Post Graduate Diplomas & Post Graduate Degrees.

The Council also authorized Vice-Chancellor to adopt any changes if required.

**Agenda Item No. 9.14. To consider the proposal for designation of Head of the Department for the University School of Studies.**

The matter was deliberated in detail and Council approved that in addition to the Dean of the School of Studies which may continue to be appointed as per Statute, the University may wherever required appoint Head of the Department in its own teaching departments and in such cases the Head of the Department may exercise all academic and administrative functions in respect of students, staff and purchases etc. for the campus programmes while the Dean has the academic privileges. It was further approved that normally HOD shall be appointed only if Professor of an affiliated college is appointed as Dean of the School or when there is no Professor appointed in the Department of the University meaning thereby that there shall not be both Dean and Head of Department in the same school of study within the University. **The Vice-Chancellor was authorized to appoint Head of the Department from amongst the Professors/Readers of the University Teaching Departments, wherever required.**

**Agenda Item No. 9.15. Administrative control of the Teacher sharing the teaching load in two or more school of studies.**

43

The Council appreciated the proposal, which will encourage interdisciplinary teaching and research in various schools of the University. The Academic Council authorized the Vice Chancellor to identify such teachers who would be academically relevant to more than one school of the University. However, it would be necessary to identify one school to have the administrative control for such a teacher to avoid any ambiguity. In the other school, such a teacher will have all the academic privileges and will fully participate in the academic and research activities of the school practically as adjunct faculty.

**Agenda Item No. 9.16 To approve the changed Syllabus of following programmes:**  
**(i) M.Tech. (Integrated) Information Technology programme being run in the University School of Studies (for the 7<sup>th</sup> & 8<sup>th</sup> semesters) &**  
**(ii) BBA (CAM) programme**

The Council approved the syllabus and examination scheme of following programmes:-

- (i) The syllabus and examination scheme in respect of M.Tech. (Integrated) Information Technology programme for the 7<sup>th</sup> and 8<sup>th</sup> semester and
- (ii) BBA (CAM) programme to be implemented from the academic session 2002-2003

**Agenda Item No. 9.17. To approve the proposal for introduction of M.Tech. (Information Technology) – week end programme in the University School of Studies**

Members appreciated the efforts made by the University to fill-up the vacuum of faculty in the specialized area of Information Technology. It was informed to the

members that there are about 70 engineering/MCA colleges in the radius of 50 kilometers. But no M.Tech. (Information Technology) programme was offered in any of these colleges and there is a great shortage of IT faculty in the colleges and the minimum prescribed qualification for recruitment of senior faculty is M.Tech. In view of this, the scheme for introduction of M.Tech. (Information Technology) during the week ends has been prepared by the University. It was also informed to the members that there is a flexibility under the scheme regarding the admission criteria of this programme and bridge courses are being proposed to be designed for the candidates who are not B.Tech./M.Tech. (IT/CSE/ECE). The Council approved the proposal for introduction of this course from the academic session 2002-2003 and authorized the Vice Chancellor to approve the detailed curriculum alongwith scheme of examinations etc.

**Agenda Item No. 9.18. To apprise the Academic Council regarding the details of Ph.D. scholars enrolled in the University Schools of Studies**

The details of the students enrolled so far to pursue Ph.D. programme in various Schools of Studies was noted for information by the members.

**Agenda Item No. 9.19. Any other items with the permission of the chair Evaluation Scheme of B.Arch. programme**

It was pointed out by Prof. A.G.K. Menon, Director, TVB School of Habitat Studies that for B.Arch. programme which is of 5 years duration, there are 10 University examinations and in some cases the study scheme provides only 15 to 20 hours study per semester. Prof. Menon mentioned that some universities conduct examinations only during 4<sup>th</sup> and 5<sup>th</sup> year and during the first three years the colleges have been authorized to evaluate the students.

Vice-Chancellor desired that there can be many models on the subject and after deliberations, it was decided that a committee may be constituted to examine the evaluation scheme for B.Arch. programme and if necessary the university will conduct national workshop on the subject alongwith Council of Architecture to finalize the model for implementation. It was decided that Prof. A.G.K. Menon may initiate the action in this regard.
