

Day Care Center
Guru Gobind Singh Indraprastha University
Sector 16C, Dwarka, New Delhi

This is to inform all concerned that the Day Care Center now has a priced collection of over 150 books for children that have been generously donated by faculty members including Professors Jaya and Anil Tyagi (Hon'ble Vice Chancellor).

The facility will begin a book borrowing activity from this week, wherein, children will be allowed to borrow 2 books each for home for one weeks time. New books will only be issued to a child on return of the previous books. It is hoped that this initiative will allow the young children to be read by their parents at home and will also help them develop self reading habit.

For further information regarding this, please contact the Supervisor, Day Care Center.
