## **PERFORMANCE OF THE INSTITUTION IN ONE AREA DISTINCTIVE TO ITS VISION, PRIORITY AND THRUST**

GGSSIPU was established in the year 1998 while the winds of change introduced in 1990 that started touching various sectors of economy. The newly liberated entrepreneurial potential that was unleashed with zeal required great impetus in the form of highly trained human resources with knowledge and skills compatible with the market economy and knowledge economy. Having realized the need of the hour, Government of National Capital Territory has mandated that the University shall primarily focus on technical and professional education with participation and active collaboration of public spirited private trusts/societies willing to invest funds and expanding educational opportunities and increased access to quality education.

Today, GGSIPU can proudly cherish that it has played a significant role in the phenomenal increase in the number of institutes offering technical and professional courses in and around NCT of Delhi. GGSIPU is uniquely positioned as the only State University alongside University of Delhi which enjoys the status of affiliating university. At the same time distinguishes itself vis-à-vis University of Delhi in that the, jurisdiction for granting affiliation extends beyond the NCT of Delhi to the entire National Capital Region of Delhi comprising areas which are part of neighboring states like Haryana, Uttar Pradesh, Rajasthan and same is facilitated under the National Capital Region Board Act. As a matter of fact GGSIP University has accorded affiliation status to many institutes in the States of Haryana, Rajasthan, and Uttar Pradesh of course with the concurrence/NOC from respective states. It reflects the popularity of programmes offered by the University among the students enrolled in the institutes located in other states and is a testimony to the contribution made for educational development of entire NCR aside NCT of Delhi. There are 127 affiliated institutions out of which 32 are Government Institutions and 95 are Self-Financing Institutions. There are 24 institutions operating from the NCR region while 103 Institutions are operating from NCT of Delhi. The total student strength has risen to over 83000+ out of which about 4300 are studying in on-campus programmes.

It is heartening to find that the competitive forces unleashed with the establishment of GGSIP University have gradually driven the quality standards of education towards higher bench marks and the annual Academic Audit regularly conducted by the University bear witness to the steady increase in the quality of education imparted by GGSIP University and its affiliates in NCR.
