

NOTICE

USEM is organizing one invited talk by Dr M.S. Malhotra, Scientist, National Institute of Malaria Research, Dwarka on “**Prevention and self protection from mosquitoes and mosquito-borne diseases**” on 7th May 2015 at 3 pm at ‘E’ Block Auditorium. Keeping in mind mosquitoes are a big problem in our campus this talk will no doubt help to create awareness among students and faculties about mosquitoes, mosquito-borne diseases and means of self-protection from mosquitoes. Students, faculties and residents of this campus are cordially invited to attend the talk
