Dear Kewal,

Aadhaar is an identifier for all centrally funded scholarship schemes to bring transparency and facilitate the direct and timely transfer of scholarships. Aadhaar is also an identifier for receiving and processing scholarship applications.

2. Applications for scholarships need to be submitted through the National Scholarship Portal (http://scholarships.gov.in/) where the Aadhaar number of the beneficiary would be required while applying. For the scholarship scheme administered by this Department, that is, the Central Sector Scheme of Scholarship for College and University students, the last date for applying online is 30th September, 2016. In view of this, it is necessary that all students, who are entitled for a scholarship, are enrolled for Aadhaar.

3. For Direct Benefit Transfer, the bank accounts of the beneficiary need to be seeded with the Aadhaar number. The Higher Education Departments in the States are requested to undertake, in a campaign mode, the enrolment of all students for Aadhaar by the end of August 2016. If there are large number of students in a higher education institution requiring Aadhaar number, then enrolment camps in the institution itself may be organised to obtain biometric data. If the number to be covered is small, then the scholarship holders may be taken to the nearest Permanent Enrolment Centre by the respective institutions. Once the Aadhaar number is received, the Aadhaar is required to be seeded with the students' bank account to enable Aadhaar based payment of the scholarship.

4. You are requested to advise District Collectors to map the institutions and enrolment centres in the district and prepare a roster for organising enrolment camps wherever required. The Aadhaar enrolment of scholarship holders of the above scheme should be completed by the end of August, 2016 and also the seeding of the bank account.

5. The following exercise is required to be completed in a time bound manner as given hereunder:

(i)   Seeding of existing Aadhaar numbers into bank accounts of students by 31st August, 2016.

(ii) Collection of biometrics for Aadhaar enrolment of students not having Aadhaar by 31st August, 2016.

(iii) Seeding of Aadhaar numbers into bank accounts by 15th September, 2016.

         With regards,

                                                                    Yours sincerely,
