NOTICE

The following decisions would come into effect immediately so as to empower students to take initiative and play active role in coordinating activities of various clubs under SRIJAN.

1. Srijan Executive Committee would comprising of the faculty members who are presently in the core committee.
2. Srijan Coordination Committee would comprising of members/office-bearers drawn from various clubs.
3. The Committee membership will be (atleast) equivalent to the number of functional clubs at any point of time. A functional club may be defined as one in which at least there are adequate membership. Each functional club (including clubs that are yet to be hold elections) may nominate/elect one of their members or office bearers to represent that club in the Srijan Coordination Committee. All these members of the coordination committee may then elect one among themselves as a Chairperson to conduct meetings. If he/she is not available in a meeting or if a meeting needs to be called in his/her absence, all members of the coordination committee can elect alternative Chairperson for that period, or as regular replacement, as deemed necessary.
4. The Srijan Coordination committee would work in regular consultation with the Srijan Executive committee, through Chairperson, who will attend the Executive committee meetings and apprise the faculty of the activities and processes and seek their expertise and administrative support as needed. If necessary, the Executive committee may call any or all members of the Srijan Coordination Committee for consultation/discussion, depending on whether the matter relates to one or more clubs.
