Advisory for Students, Employees & Residents on occasion of Diwali

Please take a stand "Say no to Crackers". As we all know fire crackers are a major source of highly toxic air pollutants. They are also a source of huge noise pollution.

All the students, staff and Residents of the University and Affiliated Institutes are requested to take a lead on this issue and prevail upon peers to refrain from bursting fire crackers this Diwali.

Wish you all a happy, noise and pollution free Diwali.
