Sub: Invitation for TCS CodeVita™ Season 14 | World's Largest Coding Competition | Registrations Now Open for Students

We are excited to announce the launch of **TCS CodeVita™ Season 14**, the world's largest coding competition. Recognized twice by **Guinness World Records™** as the world's largest computer programming competition, **TCS CodeVita** provides an exceptional platform for young innovators and coding enthusiasts to demonstrate their problem-solving abilities and compete with talented programmers from across the globe.

TCS CodeVita is more than just a competition. It is a global journey that challenges students to solve real-world programming problems, sharpen their coding skills, gain international exposure, and strive to earn the prestigious title of the "**World's Best Coder.**"

What's in it for Students?

- Gain global recognition through participation in the world's largest coding competition.
- Enhance coding and problem-solving skills by tackling real-world challenges.
- Experience diverse cultures and industry-standard programming practices.
- Compete, collaborate, and network with top coders from around the world.
- Showcase technical excellence on a prestigious global platform.
- Win exciting rewards and earn international recognition for coding talent.
