CLOUD STUDY JAM

Google Cloud Study Jams

University School of Automation & Robotics (USAR), Guru Gobind Singh Indraprastha University
East Campus, Surajmal Vihar, Delhi – 110092
Organised by Google Developer Group (GDG) on Campus USAR – Event Report

1. Event Details

Particulars	Details
Name of the event	Google Cloud Study Jams
Organised by	Google Developer Group (GDG) on Campus, USAR, GGSIPU
Mode	Online
Format	Hands-on Google Cloud labs completed by students
Target audience	Students
Recognition	Badges and certificates on completion; Google Cloud goodies (bag, t-shirt and stickers) for the top 150 students

2. Introduction

Google Cloud Study Jams was an online event in which students learnt about Google Cloud technologies by completing hands-on labs. Participants earned badges and certificates for their work, and the top 150 students received Google Cloud goodies.

The event was conducted by GDG on Campus USAR to help students build practical cloud skills in a structured, self-driven way.

3. Objectives

- To introduce students to Google Cloud technologies through practical, hands-on labs.
- To help students gain verifiable recognition of their skills through badges and certificates.
- To encourage students from different branches to build skills in cloud computing.
- To motivate participation through recognition and rewards for the top performers.

4. Event Description

Google Cloud Study Jams was held online, so students could take part remotely. Participants completed labs on Google Cloud, learning about its technologies by working through them practically.

On completing the labs, students gained badges and certificates as proof of the skills they had developed.

5. Rewards and Recognition

Students who completed the labs received badges and certificates. In addition, the top 150 students received Google Cloud goodies in the form of a bag, a t-shirt and stickers.

6. Conclusion

Google Cloud Study Jams gave students a practical introduction to Google Cloud technologies and a way to showcase their learning through badges and certificates. The event added to the technical activities conducted by GDG on Campus USAR during the academic year.
