East Campus, Surajmal Vihar, Delhi – 110092
Community Partner: Google Developer Group (GDG) on Campus USAR – Event Report

1. Event Details

Particulars	Details
Name of the event	Hackfest – 24-Hour Online Hackathon
Organised by	GDG Cloud New Delhi
In collaboration with	Agora
Role of GDG on Campus USAR	Community Partner
Other community partners	GDG on Campus GB Pant DSEU Campus; GDG on Campus GL Bajaj Institute of Technology and Management; GDG Nagpur
Mode	Online
Duration	24 hours

2. Introduction

Hackfest was a 24-hour online hackathon organised by GDG Cloud New Delhi in collaboration with Agora. GDG on Campus USAR was one of the community partners for the event, along with GDG on Campus GB Pant DSEU Campus, GDG on Campus GL Bajaj Institute of Technology and Management, and GDG Nagpur.

The partnership brought together several GDG communities to support a shared hackathon experience of learning, building and growing.

3. Objectives

- To give students hands-on experience of building solutions in a 24-hour hackathon.
- To bring GDG communities from different institutions and cities together around a common event.

- To encourage teamwork, innovation and problem solving among students.
- To strengthen the association of GDG on Campus USAR with the wider GDG community.

4. Event Description

Hackfest was held online over 24 hours, so participants could take part remotely. The event was organised by GDG Cloud New Delhi in collaboration with Agora, and GDG on Campus USAR supported it as a community partner.

5. Conclusion

Hackfest gave students an opportunity to build and present solutions within a limited time as part of a wider GDG community effort. The partnership added to the technical activities and community collaborations of GDG on Campus USAR during the academic year.
